FOUR THOUSAND MEN
PLUNGE INTO MEXICO

GENERAL PERSHING'S COMMAND
CROSSES BORDER AT NOON
ON WEDNESDAY.

No Developments Are Expected Until After Friday, When Commander Will Have Free Rein

San Antonio, Texas, March 16.—Brigadier General John J. Pershing, with more than 4,000 troops, began the pursuit in Mexico yesterday of Francisco Villa, whose raid across the border last week caused President Wilson and his cabinet to decide to use the United States army to run him down.

General Pershing's report that he and his command had crossed the international boundary line just south of Columbus reached General Frederick Funston, in charge here of general operations, late yesterday.

His report served to dispel to a great extent fears that had been entertained in some quarters that resistance would be offered by troops of the de facto government. Colonel Bertani, the commanding officer of the Carranza garrison at Palomas, on the south side of the dividing line, promptly joined General Pershing. His force was only some 400 men, but they were reported to have displayed willingness and even eagerness to join in the chase. As a body the Mexican troops will remain under their own commander, but a number of them are being employed as scouts by General Pershing.

Reports of progress in the country where the search has begun will be made by General Pershing to General Funston, but it is not anticipated that these will be frequent or deal with any but the more important developments.

How far into Mexico the column has reached was unknown here last night, nor did General Funston appear greatly concerned. General Pershing's course for the next two days is known at headquarters and not until after Friday are sharp developments expected.

Colonel George A. Dodd, heading a smaller column that entered Mexico some distance west of Columbus, was moving in a southerly direction and these two forces should be within touch of each other before the end of the week. By that time it is expected an infantry support will hold the lines of communication along which motor trucks for the transportation of ammunition and supplies will be operated. Although the responsibility imposed by General Funston was relaxed last night, efforts still were made to keep secret the details of the plan of campaign, the exact number of men engaged and their actual locations.

"JIMMY" JONES, FORMER FRANK-
FORT MANAGER, APPLIES
FOR BERTH HERE.

The Maysville Baseball Club seems to have all the material they need for a successful season. The latest recruit who wants to be with our team is "Jimmy" Jones, former big leaguer and manager of the Frankfort club last season. "Jimmy" knows a good berth and where to look for one.

Maysville has always treated her players well and this year we should have a winning team. The material is good and plenty to select from. We feel sure that our team will be a top notcher this season.

SENTENCE AFFIRMED

And Harry Garrison, a Maysville Negro, Will Die In the Electric Chair At Eddyville.

(Cincinnati Times-Star.)

The sentence of death imposed upon Harry Garrison, 29, a negro of Maysville, Ky., by Circuit Court Judge Yungblut of Newport, Ky., was affirmed Wednesday by the Court of Appeals sitting at Frankfort, Ky. Garrison was arrested last July on the charge of attacking Mrs. Luella Crowder at Oneonta, Ky. He was captured while attempting to cross the Ohio river.

Judge Yungblut, after overruling a motion for a new trial, sentenced Garrison to die in the electric chair in the Eddyville prison, execution of the sentence to be made February 11. However the case was carried higher.

Garrison will be the first man from Campbell county to die in the Eddyville death chair. Formerly, Campbell county condemned prisoners were hanged. The last to go to the scaffold in Campbell county were Scott Jackson and Alonzo Walling, who were convicted of murdering Pearl Bryan of Greencastle, Ind., about eighteen years ago. The headless body of the girl was found on a farm near Ft. Thomas, Ky. Jackson and Walling were hanged in the jailyard at Newport.

DATE OF BISHOP ANDERSON'S
VISIT CHANGED.

Rev. J. M. Lital is just in receipt of a long distance telephone message from Bishop Anderson, saying that, on account of pressing engagements, he would have to change his time for visiting the Third Street M. E. church, this city, from Thursday, March 23, to Tuesday, March 28. Those who are looking forward to hearing this great sermon-lecture will note the change in date. The new date will probably be the better, as it will not interfere with the prayer meeting services of the other churches. Every one can come to hear the bishop. A number have asked what would be the price of admission. The church desires it to be known that there will positively be no charge for admission. It is the desire of the pastor and the church for every one to hear the bishop. There will, however, be the usual free-will offering, to which all who can are asked to contribute. Remember the date, Tuesday, March 28. One week from next Tuesday.
